

REMARKS

This is a second Preliminary Amendment in regards to the above-referenced United States Patent Application, a first Preliminary Amendment having been filed on December 8, 2003 together with the initial filing of the application. All prior claims now stand as cancelled and new claims 49-97 are herein presented for the first time. Accordingly, claims 49-97 remain as pending in this application.

With this Amendment, a total of 49 claims remain pending in the application, which include six independent claims and no multiple dependent claims. Previously, fees have been paid for a total of 29 claims and up to three independent claims. Accordingly, fees are included with this Preliminary Amendment for an additional twenty total claims and an additional three independent claims.

If any issues remain in regards to this application, the Examiner is invited to contact the undersigned at the telephone number listed below.

Respectfully submitted,

DAKO COLORADO INC
